Disclaimer

The information provided in this document is made available for information purposes only and is intended to serve as a resource outlining updates to BICS cloud communications coverage. While information and content included in this document is believed to be accurate at the time of publication, BICS nor any person engaged or employed by BICS accepts any liability for any errors, omissions or any loss or damage caused or alleged to be caused directly or indirectly by what is contained or left out of this document. BICS reserves the right to change or reschedule any upcoming updates without notice. All information provided on these updates is subject to change at any time and gives no warranty of any kind, express or implied.

Outbound calling from BICS DID is not allowed when outbound calling service is not activated per number through MyBICS portal/API. When occurring any liability will be passed on to the customer.

(*) National outbound calling through international wholesale termination. For non-BICS DIDs, BICS supports only best-effort CLI pass through. For BICS DIDs with inbound only, outbound is not allowed. Any regulatory compliance is the liability and responsibility of the customer of BICS.
